

BRAVE LEADERS. COURAGEOUS CULTURES.

two-day course in Denver, CO
August 28th & 29th
October 22nd & 23rd

The ultimate playbook for developing brave leaders and courageous cultures. The greatest barrier to daring leadership is not fear; the greatest obstacle is armor – how we self-protect when we feel uncertainty, risk and emotional exposure. Over the course of this workshop, you'll learn the skills to move from armored leadership to daring leadership. Daring leaders are self-aware, know how to have hard conversations, hold themselves and others accountable, build trust, lead with empathy and connection, take smart risks that lead to innovation, reset quickly after disappointments and setbacks, and give and receive feedback.

The Dare to Lead™ program is an empirically based, courage-building program based on four skill sets that are teachable, measurable, and observable. This 2-day program gives language, tools, and exercises to put these skills into immediate practice.

- **Rumbling with Vulnerability:** face risk, uncertainty, and tough conversations with courage, clarity, and empathy.
- **Living into our Values:** identify what you stand for and how to show up from a place of integrity every day.
- **BRAVING Trust:** build meaningful and authentic connections with your teams, colleagues, and clients so you can work together from a foundation of trust.
- **Learning to Rise:** become aware of your emotions and stories and learn how to lead with courage... even when faced with failure, disappointment, and setbacks.
